

IB Series

Intelligent Commercial Display

Product Brief Introduction

- IB series is the latest intelligent commercial display released by Uniview for indoor commercial display application. It is lightweight and fashionable, featured with clear picture quality, easy installation, can be used in large shopping malls, airports and other brand stores for brand display, which can significantly enhance the customer's publicity and brand value.

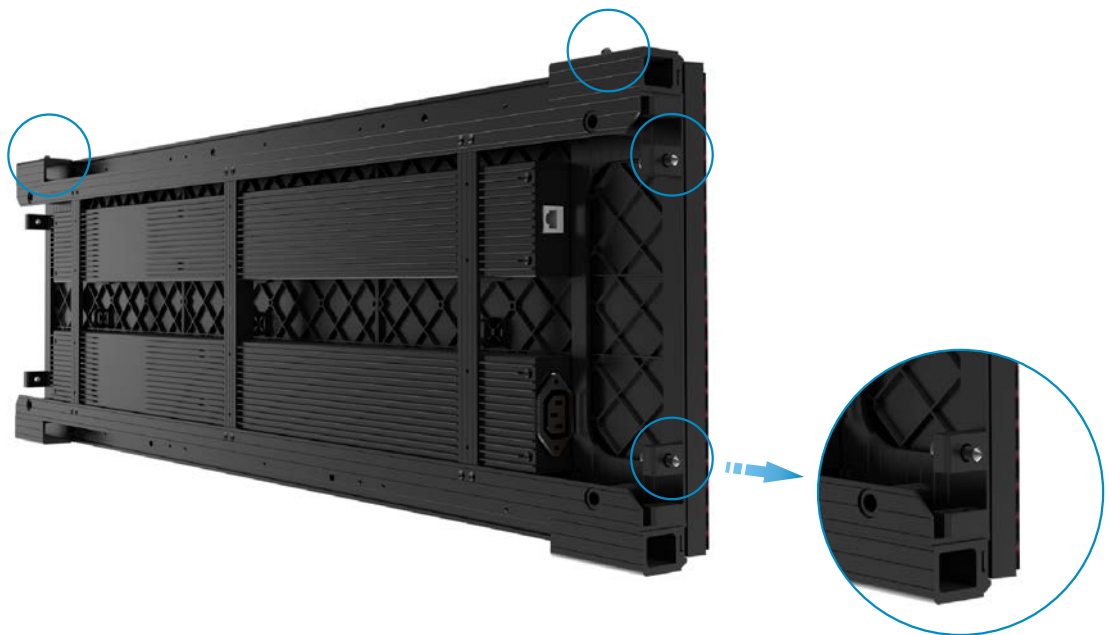

Ultra-thin and Lightweight

- With aluminum design, its weight is less than 9 kg and the thickness is only 55 mm, ultra-light and ultra-thin.

Single person operation

- By adopting a unique positioning column technology, single person can quickly complete the installation of the cabinet, which is a significant savings in manpower and time costs.

Wall surface mounting to save space

- IB series is compatible with stacking, hanging, wall surface mounting and other installation methods, which can significantly save installation and maintenance space to meet a variety of application such as airports, large commodity brand store application needs.

Wall Surface

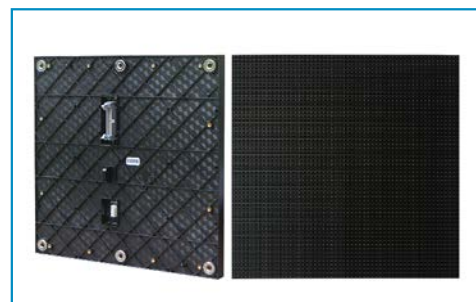

Stacking

Hanging

Front Maintenance

- IB series support front maintenance, so it can significantly improve product maintenance efficiency.

Clear and Bright Picture Quality

- IB series is using unique point by point correction technology, and it can effectively improve the screen color consistency, improve picture quality and effectiveness, and bring you the best visual experience!

Parameter

Typology		Indoor	
Pixel Pitch (mm)	4	5.14	6
LED Configuration		SMD2020	
Brightness (cd/m ²)		≥1000	
Module Size (W x H mm)		288x288	
Module Resolution	72x72	56x56	48x48
Cabinet Size (W x H x T mm)		864x288x55 1152x288x55 1440x288x55	
Cabinet Resolution	216x72 288x72 360x72	168x56 224x56 280x56	144x48 192x72 240x72
Cabinet Weight (kg/pcs)	9/11/13	9/11/13	9/11/13
Power Consumption (Max/Avg W/m ²)	720/240	720/240	720/240
Refresh Rate (Hz)		≥1920	
Gray Scale (Bit)		≥14	
Viewing Angle (H/V)		140°/ 140°	
IP Rating(Front/Rear)		IP30/IP30
